Dennis has authored five insightful books - four of which have been published internationally. His book "Breaking Christian Curses" is considered a classic on the subject of charismatic curses, witchcraft, and "canabalism" in the church - a must read.

He also conducts a dynamic "School of Prophecy" which has been enthusiastically endorsed by many pastors in the United States and abroad. This premier three-level school has trained thousands of believers to be properly released into active prophetic ministry in their local church.

Clearly gifted with the supernatural ability to hear from God, this servant has blessed literally thousands with his down-to-earth, yet extremely accurate style of prophetic ministry. With over thirty years of prophetic experience, Dennis also sits on the "apostolic team" of numerous churches and para-church organizations.
